Sir:

The references cited on attached form PTO-1449 are being called to the attention of the Examiner. These references were cited in the oppositions filed against Protein Design Labs, Inc.'s corresponding EP Patent. As suggested by the Examiners, this submission does not include all of the opposition statements. Also, all references cited in the attached form 1449 have been previously cited in a copending related application, and duplicate copies of documents are therefore not being provided herewith.

It is respectfully requested that the cited information be expressly considered during the prosecution of this application, and the references be made of record therein and appear among the "references cited" on any patent to issue therefrom.

Applicant believes that no fee is required for submission of this statement, since it is being submitted prior
